PROFESSIONAL PROFILE

Accomplished full-stack developer with expertise in Machine Learning and client communication. Solid foundation in software architecture, data management, and user interface design that can be leveraged to build and deploy AI systems effectively. Views problems from a customer's perspective, and explains and communicates deep technical problems in simplified and easy-to-understand concepts.

WORK EXPERIENCE

Government & Public Services Analyst Aug 2022 – May 2023
Deloitte | Arlington, VA

- Contributed to the development team in creating a cutting-edge Natural Language Processing (NLP) tool that efficiently scraped and categorized data from over 1,000 FDA resumes into specific occupations saving approximately 350 hours
- Organized a successful networking event for the AI Guild with 50 attendees
- Obtained a T4 High Risk Public Trust from the U.S. Customs and Border Protection (CBP)

Project: Engagement Financial Advisor (EFA) Oct 2022 – May 2023

- Spearheaded the creation of a 75+ page guide detailing the systematic approach to performing the EFA role
- Prepared and evaluated budgets up to 2.4 million, forecasts, and baselines to project and monitor engagement profitability
- Periodically engaged with senior internal clients to present analyses, discuss recommendations, and offer financial advice

Cybersecurity Sales Consultant Nov 2021 – Feb 2022
Bravo Consulting Group | Morgantown, WV

- Researched Cybersecurity Maturity Model Certification (CMMC) to understand the product function and features to more effectively sell to potential clients
- Qualified sales leads by completing over 50 cold calls per week
- Set up meetings with key stakeholders and decision makers to go over customers' wants and needs

IT/Dynamics Consultant June 2021 – Aug 2021
Plus Consulting | Carnegie, PA

LEADERSHIP

2021-2022 WVU Management Information Systems Association (MISA) President

- Founded the "Website Workshop" where students learn to build their own websites, and we built a website of our own: misassociation.orgs.wvu.edu
- Created "MIS Career and Industry Day" which raised \$1,500 for the MISA organization
- Increased membership from six nonpaying members to 68 paying members
